Can You Help?

I was asked just last week to do a child internet safety for a parochial school group of about 80-100 kids on Monday, May 21.

I have never done a protracted presentation on this subject, and do not have any support materials, such as DVD's, PowerPoint programs, literature.

I am eager to do this, but could use the members help in directing me to the appropriate resources that I can obtain on short notice.

If anyone has such, please contact me. If I can borrow a program, it would save me from reinventing the wheel. Thanks ahead of time.

Cpl. Tim Kolbe, Crime Prevention/ Community Services
Co- Coordinator, NB/ Comal Co. Crime Stoppers

Irving Police have extended Crime Free Multi-Housing Training Classes through October. Classes are filling up fast and are currently booked through July.

The Crime Free Multi-Housing Program is an effective, but intense program designed for the police, apartment staff, and residents to work together to reduce criminal activity in apartment communities. If you have any questions regarding the program please contact Officer Beau Jones with the Irving Police.

A registration form is available at: <http://aacpa.net/leo.doc>.

Many of you will remember that I sent out an email a while back about these two TCPA members both facing very challenging physical difficulties. I am SO HAPPY to report that both are doing much better!

Larry Rollins had to have one of his kidneys removed due to cancer but I talked to him this week and he is doing so well, he had just come inside from mowing his lawn!

Butch Lindsey still has a long way to go to be healed from the major knee surgery but he convinced everyone Bedford P.D. needed him to come back to work, light duty, of course.

They both appreciate your thoughts, cards, calls and prayers in their time of need.
