

Advanced Law Enforcement Rapid Response Training (ALERRT)

The ALERRT program is approved by the Department of Homeland Security Office of Grants and Training.

Education Service Center, Region 20 is offering a **FREE** two-day, 16-hour Rapid Response Training course for commissioned peace officers. This course is a dynamic, hands-on, patrol-oriented training designed for those emergency responders who arrive first during an active shooter incident. It involves direct delivery training that occurs in the classroom and practical exercises that take place during scripted force-on-force scenarios. Participants receive training in both settings using the latest technology available.
