CPTED strategies are ideal for Law Enforcement Officers, City Planners, City Managers, City Council Members, Architects, Security Consultants, Educators or anyone involved in designing neighborhoods, schools, downtowns, buildings, or revitalization efforts. It is an effective way of fighting crime and promoting business. Crime Prevention Through Environmental Design. (CPTED) is defined as a multi-disciplinary approach to deterring criminal behavior through environmental design concepts. CPTED strategies rely upon the ability to influence offender decisions that precede criminal acts by affecting the built, social and administrative environment. It is pronounced *sep-ted* and is known by various labels or names around the world, such as Designing Out Crime and other acronyms. Our mission is to provide you with the best and most current training possible. With a hands on approach we will help you gain the knowledge and confidence you need in order for you to implement CPTED in your city, neighborhood, school, or building.
