National Threat Evaluation and Reporting
Basic Threat Evaluation and Reporting Course

NTER

The **Basic Threat Evaluation and Reporting Course (B-TERC)** is a one-day training that teaches participants how to assist in preventing acts of targeted violence, such as, but not limited to, terrorism, school shootings, or mass attacks in public spaces, by identifying those threats or observable behaviors that may indicate the potential for violence. Participants are equipped with the tools to identify and report threats or observable behaviors that may concern others, as well as recognize intervention strategies to move individuals off of a pathway to violence.

Personal Grievance · **Ideation** · **Research/Planning** · **Preparation for Violence** · **Probing/Breaching** · **Attack**

PATHWAY TO VIOLENCE

Participants will:

- Define targeted violence
- Outline the Pathway to Violence Model and the four-step Behavioral Threat Assessment and Management Model
- Understand how to identify threats or observable behaviors that may concern others while adhering to individual's constitutional rights, privacy, civil rights, and civil liberties
- Recognize the role of community in targeted violence prevention
