

The San Marcos Police Department

Is hosting...

Advanced Collision Investigation

February 26 – March 8, 2024
(Monday-Friday 8a-5p both weeks)

San Marcos Police Department
2300 S. IH35, San Marcos, Texas

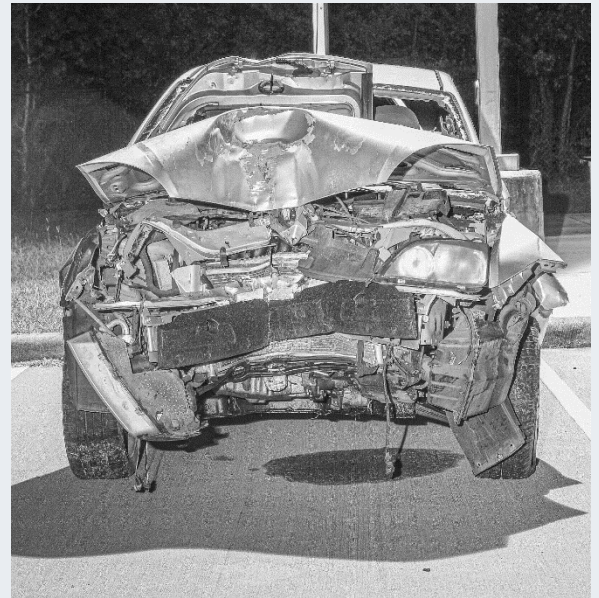

This class is 80 hours of TCOLE credit taught by in-house instructor Commander Samuel Myers. Commander Myers has 31 years of total law enforcement experience. He has been a member of the Department's Collision Investigation Team since 2011, has supervised the team since 2017 and owns his own collision reconstruction consulting business.

This class is the equivalent of the TEEX Advanced Collision Investigation Class covering:

- Mathematical Concepts
- Scale Diagramming
- Energy and Speed Relationships
- Basic Trigonometry applications
- Airborne Formulas
- Time and Distance
- Conservation of Linear Momentum

There is **no cost** to attend; however, participants will need to provide the following supplies:

- Laptop computer
- Mechanical pencil
- Pen
- Templates from IPTM
 - <https://store.iptm.org/collections/templates/products/blueblitz-traffic-template-us-scale>
 - <https://store.iptm.org/collections/templates/products/copy-of-rigblitz-commercial-vehicle-traffic-template-metric-scale>
 - <https://store.iptm.org/collections/tools/products/360-degree-counter-clockwise-protractor>
- Drafting Supplies (suggested types)
 - <https://www.hobbylobby.com/Art-Supplies/Drafting/Measuring-Tools/8%22-Pacific-Arc-Triangle-Rulers/p/59121>
 - <https://www.hobbylobby.com/Art-Supplies/Drafting/Measuring-Tools/6-1-2-Spring-Bow-Compass/p/73450>

To register, please email the students name, agency, PID #, email address, and cell # to Sergeant Erin Clewell (eclewell@sanmarcostx.gov) and Commander Sam Myers (smyers@sanmarcostx.gov).

For any questions, please call Commander Myers at 512-753-2182.
