**President's Report**

We had a wonderful and productive conference in Kerrville, with a positive outcome.

Details of the Kerrville Mid Winter TCPA conference will be provided by our conference chair person, Laura Tobias in her report.

A TCPA Executive board meeting and a TCPA General Membership meeting was held during the conference in Kerrville Texas and several ideas and suggestions were discussed.

- Change TCPA to hold only 1 conference each year (Jan or Feb). A once a year conference would allow better attendance, this and the month that the conferences would be held will require a motion at our July 2007 TCPA summer membership meeting.
- Change TCPA bylaws for all membership applications to be mailed to TCPA instead of the regions. This will save AACPA about \$1 on each application and renewal.
- Send any vendor requests to Dickie Thomas, NTCPA for the summers TCPA July conference.  
I have appointed Charlie Barbara to prepare plans for the summer's conferences 2007 & 2008 vendor tables for AACPA.
- Scholarships to the summer conference will be initiated for the summer conferences. TCPA did not set a deadline for applying, so do not delay in getting your application and registration in. Selections are only made from applications with a paid conference registration on file at the time of selections. Two (2) people from each region will be picked by TCPA.
- Several Texas House Bills are of concern to TCPA. Our AACPA 2<sup>nd</sup> VP will have some details in his February meeting report. (HB-128 and HB-418).
- TCPA Treasurer, Armando (ARMY) resigned, the TCPA president appointed Scott Rhodes (Grapevine PD) to take over as treasurer. Joe Dominguez, South Texas CPA, was appointed to Sgt at Arms to fill the slot vacated by Scott Rhodes.  
All of these changes and updates from all regions should be made to the TCPA web site shortly.
- Plans for the summer 2008 conference in Wichita Falls are underway, just waiting for the contract signing. NTCPA will be sending a power point presentation with more details. I will have this on the agenda for presentation as soon as it arrives. One item to note is that for each 30 reservations/registrations from AACPA we will receive 1 comp room.
- TCPA is planning on returning to the permanent CCPS certifications used previously by TCPA.  
This item will be presented for a vote in July.
- Several TCPA Board positions are up for renewal this July.  
Positions open for nominations are the 1st VP, 3<sup>rd</sup> VP, Treasurer and President.

In an attempt to increase memberships and to encourage some of the dropped members to return, we will be providing some TCLOSE training at each of our monthly meetings. Our regular membership meetings will be from 11:30 A.M. to 12:00 noon. The training session will be from 12 P.M. to 2 P.M. Since our membership meeting time will be very short, only items presented prior to the meeting, in time to be added to the agenda, will be discussed. Lunch and sodas will be provided for those attending the training portion of the meetings.

Thank you for choosing me to lead AACPA for the next 2 years. My phone is always available for any suggestions, concerns or complaints. Please feel free to call me anytime. I am here to serve you.  
My phone numbers are Home-(210)659-2710 and Cell-(210)381-0250.

**MEMBERSHIP ALERT / ANNOUNCEMENT**

Dear Members,

The following is a request by Laurie Marsh for your assistance in protesting the parole of Cop Killer Robert Sanchez.

Subject: Cop Killer up for parole

My name is Laurie Marsh. Many of you heard from me about 3 years ago and were able to help keep a cop killer in prison. Unfortunately, I must ask for your assistance again. My first husband was Police Officer Richard Scott Rogiers, of the Balcones Heights Police Department in San Antonio, Texas. He was gunned down in the line of duty. His killer is now up for parole for the second time after serving only 18 years of his life sentence. The following is a brief account of the events of that night. In the very early morning hours of March 11, 1989 Officer Rogiers was shot twice in the head after making a "routine" traffic stop. He succumbed from his wounds nearly 24 hours later. During the trial, the chief medical examiner pointed out that the first shot was a stunning, but non-fatal blow to the side of the head, which would have caused him to fall to his knees, defenseless, but still alive. While he was down on his hands and knees, he was shot again at point-blank range, execution style to the back of the head. Officer Rogiers never had the chance to take out his service weapon.

Officer Rogiers left behind a wife (myself) and a 2 1/2 year old son. His son is now 20 years old, has graduated from high school and is attending college at Texas State University and doing very well. I remarried 16 years ago. My current husband and I and my son are adamant about keeping this man in prison.

The prisoner is Robert Sanchez, TDCJ #00531913, SID#02701316. He was convicted of capital murder and sentenced to life in prison. He is up for parole in March of this year.

Protest letters/petitions should be sent in by the end of January, no later than the end of February to the following address: Texas Department of Criminal Justice Victim Services/Parole Board, 8712 Shoal Creek Blvd., Suite 265, P.O. Box 13401, Austin, Texas 78711-3401. Letters can also be emailed to: [victim.svc@tdcj.state.tx.us](mailto:victim.svc@tdcj.state.tx.us)

If there is anything you can do to help keep this man in prison, I would greatly appreciate it. You can contact me by email or by phone at 830-538-2380. I have a petition and signature sheet that I can send if you wish.

Thank you for your support,  
Laurie Rogiers Marsh

Our January conference was a success; Laura Tobias did an excellent job in putting it together and bringing it to a successful outcome. She will be providing the details in her report at our February meeting. Here are several of the pictures that were taken at the conference; more are on our web site: <http://aacpa.net>
