Visitors Always Welcome

To All:

This is the second message I have received in a week notifying me of a IRS refund waiting for me..... all I have to do is click on the hotlink below.

To coin a phrase: **DO NOT GO THERE.**

Unscrupulous scam artists use current events (tax time and the household rebates) to steal our identity, get us to send money, or sign us up for things we don't need.

Your identity and credit are precious things... protect them. Do not fall for a offer of free items or money. If it sound too good to be true, it usually is.

If you receive such a message, do not reply, forward to others, or follow the directions within.

The genuine IRS website, www.irs.gov, has a scam/phishing info page, which instructs you to forward the message to them at: phishing@irs.gov. Please see this website for further details. Be safe.

INSIDE THIS ISSUE

- 1 TCPA's 2008 Summer Conference
- 1 Monthly Meeting Location
- 2 A Thank You and Salute from our TCPA President
- 3 Safe Kids USA

May 11, 2008

In 1962, President John F. Kennedy signed a proclamation which designated May 15 as Peace Officers Memorial Day and the week in which that date falls as "Police Week."

During this week Memorial Ceremonies are held which we honor those that have paid the ultimate sacrifice.

I would like to thank each one of our dedicated law enforcement officers and civilians.

The path you have chosen is not an easy one.

I want you to know that you are appreciated and you do make a difference.

I salute you.

Sincerely yours,

Tammy Snider

Officer Tammy Snider, President
Texas Crime Prevention Association

Because Safe Kids USA knows that most childhood injuries are preventable, we want to help you keep your kids safe.

Our new videos will introduce you to four parents whose children survived an accident. They're sharing their stories so that what happened to their kids won't happen to yours.
